

# **ROLAND HILL**

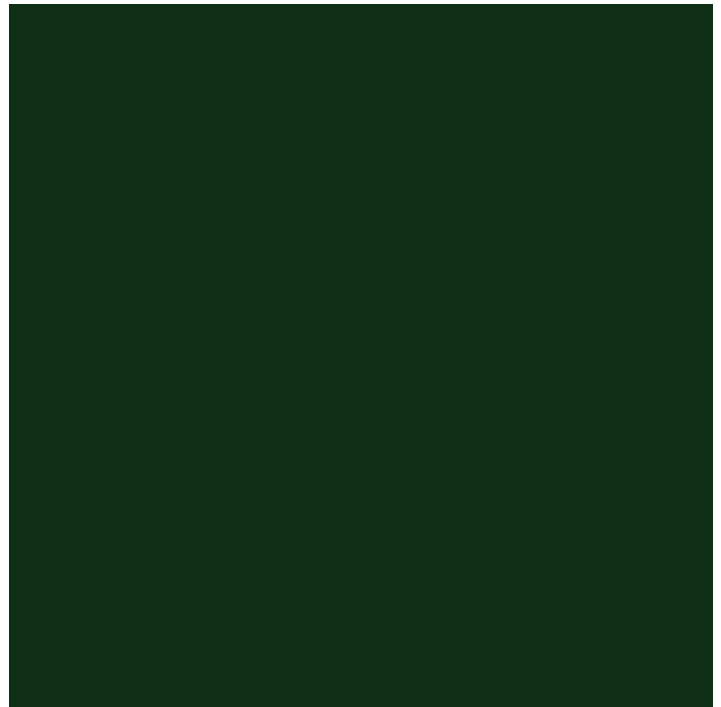

**Wasdale YHA hall**

## Wasdale YHA hall

This building has had extensive external refurbishment works carried out including:

- Re-roofing in natural slate
- Re-building of the chimney stacks
- Re-building dormers
- Various external facade repairs.

All using traditional materials and traditional methods.

## About Roland Hill Ltd

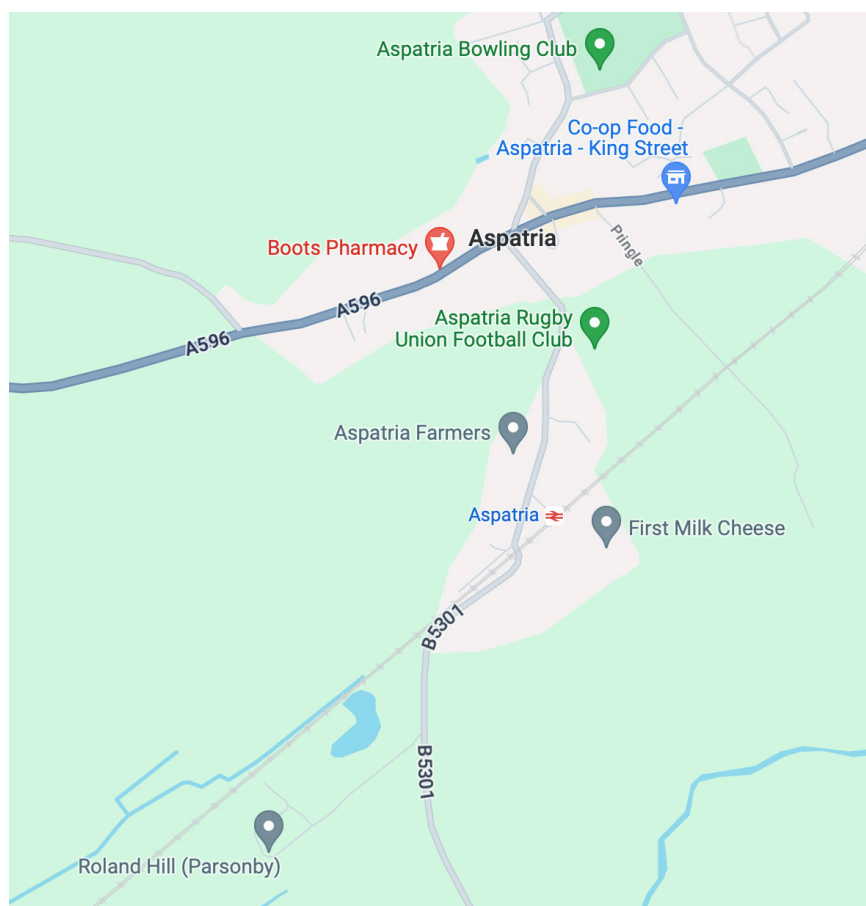

Roland Hill Ltd is one of the UK's leading firms in the manufacture of off-site modular building technology. With offices in Cumbria, the company provides buildings, heating systems, thermal insulation products and doors. Clients include private customer new build projects, public sector buildings and commercial projects. All products comply with building regulations.

Roland Hill Ltd is committed to offering innovative technologies that provide a low carbon footprint for energy efficiency and sustainable solutions.
